

USTM-Sahitya Sabha Scholarship 2019-20 Results Declared For various UG Courses

Date of Interview: 23.06.2019

UNIVERSITY OF SCIENCE & TECHNOLOGY-MEGHALAYA

USTM has a social commitment and is keen to work for establishing harmony, brotherhood and integrity among different sections of society. As per an MoU signed with Sabha, USTM in association with Sabha offered 20 Full Scholarships and 2 Research Fellowships in the memory of 22 former Hon'ble Presidents of Asam Sahitya Sabha. Out of these scholarships, 15 are for PG courses and 5 for UG courses. The purpose of the Scholarships for UG and PG Courses at USTM is to help young meritorious students pursue higher education—who would not have been able to chase their cherished dream due to their poor economic background.

The Interview for the applicants of UG Scholarships was held on Sunday, 23 June 2019 at USTM Campus where experts from both Asam Sahitya Sabha and USTM were present. A total of 43 candidates were called for interview. **Considering the merit as well as low financial status of the students, the authorities decided to award 10, instead of 5 UG Scholarships under USTM-Asam Sahitya Sabha Scholarship scheme.** Few other meritorious students were also awarded scholarships from USTM considering their need and merit.

The first 10 candidates in the following list have been selected for award of USTM-Asam Sahitya Sabha Scholarship while USTM has offered full scholarship to one more candidate and 50% scholarship to four others who will pursue various UG courses offered by the university.

Sl. No.	NAME	Rank	% of Marks	Remark
1	Jagamuhan Kalita	5 th Rank in AHSEC(Arts)	94	Selected
