## ABOUT THE ORGANISER

### University of Science & Technology, Meghalaya

University of Science & Technology, Meghalaya (USTM) promoted by ERD foundation, Guwahati was established under the Act 6 of 2008 enacted by Legislative Assembly of Meghalaya & incorporated under section 22 & 2(f) of the UGC Act 1956. Its campus aptly named as "Techno City". School of Applied Sciences, Biological Sciences, Social Sciences and Humanities, Media and Cultural Studies, Business Sciences and Education are the various academic units of the University which are further divided into departments and institutes/centers for imparting courses and program leading to the degree at undergraduate and post graduate level. Research is also carried out by various schools and departments of USTM leading to the award of Ph. D degree.

### Dr. Bhubaneswar Borooah Cancer Institute

Dr. Bhubaneswar Borooah Cancer Institute (BBCI) was set up by a voluntary organization called 'Dr. B. Borooah Cancer Society Trust' on 18th November 1973 and became operational from 1974 at Guwahati to commemorate the memory of Dr. Bhubaneswar Borooah. The Institute was recognized as Regional Cancer Centre by the Ministry of Health & Family Welfare, Govt. of India in the year 1980. About 12,000 new and 80,000 old cancer patients visit the Institute every year. It is a 230-bedded Hospital at present.

A DBT Centre for Molecular Biology and Cancer Research was started in February 2010. The Institute has Population and Hospital Based Cancer Registry under National Cancer Registry Programme of Indian Council of Medical Research. It is involved in many research projects at present.

## Location of USTM

USTM is located very strategically in the border of Assam and Meghalaya states in close proximity to Guwahati city. The university is established in more than 400 acres of picturesque landscape surrounded by tranquil greenery in Assam-Meghalaya border just one km from GS Road, 9 Mile (opposite of CRPF Group Centre), Ri-Bhoi District, Meghalaya. It is about 85 kms from Shillong, the capital of Meghalaya and 6 kms from Dispur, the capital of Assam. The nearest bus station is at Khanapara, 5 kms away from USTM campus. The Campus is well connected by Rail & Air which is only 15 kms from Guwahati Railway Station & 35 kms from Guwahati International Airport.

### Road map to USTM

## ABOUT THE WORKSHOP

The symposium cum workshop aims at creating awareness about cervical cancer and will bring together cancer researchers, oncologists, professors, and scientists to discuss strategies for cervical Cancer globally. It is designed to provide divergent and prevailing education that will gather researchers familiar with the issues affecting the advancements, applications, and innovations in the field of Cancer science.
