

Unveiling Excellence

PRESS RELEASE

# 7 USTM STUDENTS SELECTED FOR NATIONAL FELLOWSHIP

Baridua, Ri-Bhoi, Meghalaya

Saturday, 11th April, 2020

7 students of the 'University of Science and Technology, Meghalaya,' have been selected for two different prestigious National Fellowship. Out of this, five of the students have been selected for the prestigious '**DST inspire**' fellowship offered by the **Department of Science and Technology, Govt. of India**, for doing research work in various prestigious institutions of excellence. Miss Nasrin Sultana from the Department of Chemistry, Mr. Zinnat Hassan from the Department of Mathematics, Mr. Rezaul Karim SK from the Department of Physics, Miss Semina Safique from the Department of Applied Biology and Mr. Pallav Bora from the Department of Mathematics are the five proud students to have achieved it. Nasrin Sultana and Semina Safique have been selected under the category of Chemical Science and Biological Science respectively whereas Zinnat Hassan, Pallav Bora and Rezaul Karim have been selected under the category of Physical Science.

**Zinnat Hassan**  
Mathematics

**Semina Safique**  
Applied Biology

**Rezaul Karim Sk**  
Physics

**Pallav Bora**  
Mathematics

On the other hand, two Phd scholars of USTM, namely Keneisepe U Koza and Arkynti Nylla Basan Shrieh, both from the Department of Political Science, USTM, have been selected for **National fellowship 2019-20 offered by the Ministry of Tribal Affairs, Govt. of India**. Both of them have already taken admission for Phd in USTM and are presently carrying out their research based work. They have been awarded this prestigious fellowship under the category of Social science. The news of these five students' achievement have created a wave of happiness and positive hope among the entire USTM family amid this crucial situation of National Lockdown imposed by the Govt. of India in order to prevent the spread of Covid-19. Shri Mahbubul Hoque, Hon'ble Chancellor, USTM, through a facebook post congratulated them as well as the concerned faculty members for their constant guidance and support without which it would not have been possible for the achievers to make it. He also motivated all the students of USTM to get inspired by them and to keep on trying for such achievements.
