Message From Chancellor, USTM

It gives me immense pleasure to welcome you to the University of Science and Technology Meghalaya which is an institution of learning, innovation and research with a futuristic vision.

I am very happy to see the remarkable response of the students seeking admission for the various programs under the University. I look at this response as a reward for the efforts put in by our highly experienced faculty members & Staff and also due to the brilliant performance of our alumni in their respective careers. Our University has received the recognition of being the 1st private University to get accredited with an A grade by NAAC and have found our place amongst the top 200 Universities of the country as ranked by NIRF.

We have always emphasized on world class quality education, research & superb learning facilities for our students thus enabling them to be at par with the global challenges, competition and the demanding educational scenario. We ensure that we follow the latest trends in education and technology to impart the best of professional studies, research and innovation techniques to all our students.

Our initiative in the field of healthcare has started with the University Hospital of Ayurveda & Naturopathy which is a world class health care facility and now we have treaded the path of medical healthcare education through this new IA Ayurvedic Medical College. I certainly expect and hope that this college shall be able to contribute to the society through the field of Ayurvedic Medical Sciences and become a global destination for healthcare & education.

My dear students, I once again welcome you all here at USTM, specially the students of Ayurveda and I can assure you that we are here to facilitate all your efforts thus empowering you to reach out to the sky and conquer the world of tomorrow.

All the very best!

(Mahbulul Hoque)

Message From Vice Chancellor

I am extremely happy to interact with you through this brochure. University of Science and Technology Meghalaya, a NAAC 'A' graded University that has been accepted as an institution delivering a very high-quality education with emphasis on interactive teaching methods and focused research in diverse fields. USTM is known for Academic Discipline, Experienced Faculty, State-of-the-art Infrastructure, International Teaching Pedagogies, Excellent Learning Green Environment, Progressive Research Culture and Emphasis on Personality Development of the students. Our innovations in the various domains have been able to get accolades and patents for us. This has given us the due place among country's top 200 Universities consecutively for two years ranked by NIRF.

At our University, we provide opportunities for involvement in innovative research projects and life enriching community service for the society. We believe that education is complete when we start contributing meaningfully to the society. To ensure this, greater emphasis is given on what students have learned and not necessarily what they were taught.

With these commendable achievements, I believe that there is still scope for us to become the best and to reach higher levels of academic excellence. I have no doubt that we will be able to achieve these objectives with cooperation from our faculties of various institutions, which include experienced, knowledgeable and caring mentors.

I assure to all Parents and Students that we will continue to strive hard to provide quality education to the youth and live through the processes and systems that are of global standards.

Lastly, I congratulate you for having chosen USTM to pursue and attain your future dreams and professional objectives in the area of health sciences and wish to extend my heartiest welcome on behalf of the entire USTM family.

I wish you all the best.

G.D. Sharma

Prof G.D. Sharma
Vice Chancellor, USTM

Message From Principal

It is my proud privilege to express that the University of Science and Technology Meghalaya (USTM) is emerging as the fastest growing university in the North-East region of India. This university is striving to achieve excellence in academics and research and the university has been credited with “A” GRADE by NAAC in the first cycle of assessment and is ranked amongst top 200 universities of India by NIRF.

The Ayurvedic system is an oldest system in India and also in the history of World Medicine. Ayurveda is not only medical science but it is a science of life. It is also called holistic science as it takes into consideration all aspects of life – body, mind, sense organs and soul. The aim of Ayurveda as envisaged by Charaka – preservation of health and prevention of diseases also Ayurveda is promoting longevity, immunity, holistic health and wellness.

IA-Ayurvedic Medical College stands as the only landmark Institute in the entire NE-Region in Private Sector under USTM. It is expected for creation and dissemination of Quality Education Centre by imparting knowledge, skill and values in the field of research and also to develop the best human resources in the field of Ayurvedic education. We have highly qualified experienced faculties to start the college to provide fruitful academic atmosphere and health-care facilities.

I must extend my sincere gratitude and thanks to the Honourable Chancellor Mr Mahbubul Hoque for his noble endeavour for such a visionary work and encouragement to bring into the existence of IA-Ayurvedic Medical College (IAAMC) and University Hospital of Ayurveda and Naturopathy (UHAN) under USTM.

Prof (Dr) Anil Kumar Sarma
Principal, IAMC

Message From Advisor

It is with great pleasure and excitement that I extend a warm welcome to all of you to our newly established IA Ayurveda Medical College in the beautiful region of the North East. We are delighted to have you as part of our academic community and look forward to embarking on this journey of learning and growth together.

Ayurveda, a holistic system of medicine, has been practised in India for centuries, and its principles have gained recognition worldwide for their effectiveness and focus on promoting well-being. Our institution aims to preserve and promote the rich heritage of Ayurveda while also embracing modern scientific advancements to provide a comprehensive education to our students.

As you embark on this educational path, I encourage you to embrace the wisdom and knowledge of Ayurveda and strive for excellence in your studies. Ayurveda not only focuses on treating diseases but also emphasizes preventive healthcare and the balance of mind, body, and spirit. Through this program, you will have the opportunity to explore the profound principles of Ayurveda, gain hands-on experience through practical training, and develop a deep understanding of the human body and its intricate relationship with nature.

Our dedicated and experienced faculty members are here to guide and support you throughout your academic journey. They bring a wealth of knowledge and expertise, ensuring that you receive a high-quality education and are well-prepared to make a positive impact in the field of Ayurveda. Our faculty members are committed to nurturing your intellectual curiosity, encouraging critical thinking, and fostering a spirit of inquiry.

At our college, we value diversity, inclusivity, and mutual respect. We believe that a diverse community of students and faculty enhances the learning experience and prepares individuals to serve a global society. We encourage you to engage actively in co-curricular activities, participate in seminars and workshops, and collaborate with your peers to broaden your horizons and develop essential interpersonal and leadership skills.

As you embark on this exciting journey, remember that the pursuit of knowledge is a lifelong endeavour. Ayurveda offers a vast ocean of wisdom, and this program will serve as a stepping stone in your quest for understanding and healing. Embrace the challenges, seize the opportunities, and never stop learning.

Once again, a heartfelt welcome to all of you to our beautiful campus for pursuing the BAMS course affiliated to NCISM, New Delhi. We are confident that this journey will be transformative, rewarding, and filled with memorable experiences. Together, let us strive to make a meaningful difference in the world of Ayurveda and contribute to the well-being of individuals and communities.

Prof.(Dr) R. K.Sharma
Advisor, IAMC

About ERD FOUNDATION-Guwahati : The Promoter

Education Research & Development Foundation (ERDF) is registered as a charitable trust under the provision of Indian Trust Act 1882 and as per the provisions under the Societies Registration Act XXI of 1860. The head office of the Foundation is located at ERDF Bhawan, Lalmati Road, Bhetapara, Guwahati. ERDF is the largest & fastest growing educational network in the north-eastern region, catering education from KG to PG to Ph.D. There are 9,000 students in the institutions of ERDF out of which 20% belong to underprivileged backward classes. At present, ERDF institutions have 63 courses, 36 Departments and 7 Research Journals. Nearly 20,000 students have graduated from different institutions of ERDF wherein more than 15,000 alumni are settled in various sectors across the Globe. ERDF has today emerged as the premier educational network of NE India.

Institutions promoted by ERDF :

Central Public School, Patharkandi is the first CBSE affiliated school of ERDF set up in Karimganj District in April 2008. In January 2010, **Central Public School Badarpur**, the 2nd CBSE affiliated school was set up in Umarpur, near the Badarpur town.

Regional Institute of Science and Technology (RIST) is an engineering college of par excellence set up by ERDF in 2009. RIST provides B.Tech Courses approved by AICTE, New Delhi & it is affiliated to North Eastern Hill University, Shillong.

One of the most ambitious projects of ERDF is the **University of Science and Technology Meghalaya (USTM)** which was established under the provision of the University of Science & Technology, Meghalaya Act (No 6 of 2008) enacted by the Legislative Assembly of Meghalaya and started its courses since 2011.

In 2015, ERDF set up **Khairun Nessa Begum Women's College** at Badarpur which is affiliated to Assam University, Silchar.

Realizing the demand of Pharmaceutical Education in Greater Barak Valley, ERDF has established **Allama TR College of Pharmacy** at Srigouri, Badarpur, Karimganj from the Academic Session-2020. It is the 12th venture of ERDF and is affiliated to Srimanta Sankardeva University of Health Sciences, Guwahati and approved by Pharmacy Council of India, New Delhi.

In 2021, '**Vision 50 Academy**' was established by ERDF with highly experienced mentors of premier national level coaching institutes to impart quality coaching for NEET, JEE & Civil Services aspirants of the North East Region.

About USTM

The University of Science & Technology, Meghalaya (USTM) promoted by ERDF, is the fastest growing University in the entire North East India spreading in 300 acres of land surrounded by tranquil greenery in the Assam-Meghalaya border in the Ri-Bhoi District of Meghalaya. It is just 3 km away from Guwahati city, the capital of Assam, 32 kms from Guwahati International Airport (LGBI) and 80 kms from Shillong the capital of Meghalaya & 2 hrs Air Journey from the capital of India, New Delhi.

The University has been established through enactment in the state legislative assembly of Meghalaya (Act No. 6 of 2008) and incorporated under section 2(f) of the UGC Act,1956, and having approval from statutory bodies like AICTE, NCTE, PCI, and BCI.

The university has been accredited “A” grade by NAAC in the first cycle and has also been ranked amongst the top 200 universities of India by NIRF-2023, GOI.

At present, the total enrollment is more 10500 students of which, 20% students are availing free education. Nearly 90% of USTM’s total enrollment is that of rural students, with over 38% are tribal students and 57% are girl students.

USTM offers Diploma, UG, PG and Ph.D courses under its different schools viz.

- School of Applied Sciences
- School of Allied Medical Sciences
- School of Biological Sciences
- School of Technology & Management
- School of Social Sciences & Humanities
- PQH School of Education
- University School of Law and Research
- School of Pharmaceutical Sciences
- School of Language & Culture

About Ibrahim Ali Ayurvedic Medical College **IAMC**

IAMC is a private Ayurvedic Medical College covering an area of 10acre situated in USTM campus housing Central Instrumentation facility Inter-disciplinary Health Research Centre , well equipped medico-related academic laboratories, museums and dissection hall . The College campus is also harbouring an advanced Ayush Research Unit which is meant for disseminating the knowledge of Ayurveda and the current research update purely meant for academic purpose which is confined under the 300 acre of USTM campus . The College is astounded with spacious central library, smart class rooms , a dedicated herbal area covering 3 acre area with demonstration room and open green area for " Prakriti Pathshala "

Vision

To accomplish exemplary standards in the study of Ayurvedic Medical Science and become a destination for holistic healthcare and research.

Mission

To build an excellent Ayurvedic Educational Institution engaged in training doctors for providing healthcare to the larger society through a caring and responsible approach.

Objective

- To build skilled researchers and practitioners of Ayurveda
- To create global awareness in ancient principles of Ayurveda and its practices.
- To organize extensive health camps, awareness programs and ensure participation of students to provide holistic Ayurvedic health care to the community.
- To introduce and involve students in research activities and scientific presentations.
- To provide extensive training for faculty in teaching and hospital management.
- To work for the progression of Ayurvedic System.

About Hospital : UHAN

The College has attached fully functional 100 beds Ayurvedic Hospital namely **University Hospital of Ayurveda & Naturopathy**, covering area of more than 04 acres.

- The hospital has OPD services available in all specialities. Consultation on week days between 09.00 am to 03.00 pm. The hospital also has excellent IPD facilities in all clinical departments under supervision of specialist and support of house officer and paramedical staff.
- The hospital has 24 hours emergency services with round the clock ambulance services along with facilities for labour and surgery.
- The hospital has well developed Panchkarma unit with specializes in child mental health care and treatment of neurological and muscular skeletal disorder.

Major Building Blocks-Administrative wing, Hospital, Different departments of college

- Campus has 300 acres of area.
- College building is 8 storeyed with 8175 sq. mtr of area.
- Hospital Building area is 4625 sq. mtr.
- Dispensary
- Emergency Ward
- OPD and IPD
- High end diagnostic facility
- Panchakarma Unit
- Demonstration rooms and OTs.
- Herbal garden
- Smart board enabled lecture halls,
- Auditorium, Museums, Central Library,
- Yoga hall and Skill Laboratories.
- Wi-Fi/LAN enabled campus.
- Museums, Laboratories, and Demonstration rooms.
- 100 bedded Hospital with 7 OPD's, IPD wards and operation theatres.
- Facility of Audio-visual projection for live demonstration of surgery.
- Ambulance service is available round the clock.

Central Library

- Spacious Central Library
- Separate staff reading room.
- Wide variety of books on Ayurveda, Allopathy, Yoga and other allied Medical Sciences.
- Variety of Journals and Magazines on Ayurveda and e-Journals.
- The library houses more than 2650 books
- Computer room with internet and printer facility
- Availability of E-Resources

Bachelor of Ayurvedic Medicine and Surgery (BAMS)

Thousands of years before modern medicine provided scientific evidence for the mind-body connection, the sages of India developed Ayurveda, which continues to be one of the world's most sophisticated and powerful mind-body health systems. More than a mere system of treating illness, Ayurveda is a science of life (Ayur = life, Veda = science or knowledge). It offers a body of wisdom designed to help people stay vibrant and healthy which realizing their full human potential.

The two main guiding principles of Ayurveda are

- The mind and the body are inextricably connected, and
- Nothing has more power to heal and transform the body than the mind. Freedom from illness depends upon expanding our own awareness, bringing it into balance, and then extending that balance to the body.

Career Scope

After completion of the course, the successful graduates either can get job in government or private ayurveda hospital as Ayurvedic Drug Specialist or can open their own retail shop of ayurveda medicines. A list of employment for such graduates include the Healthcare community, insurance, life Science industry and pharma industry etc. They can be hired as Medical Representative, Ayurvedic Doctor, Pharmacist, Category Manager, Business Development Officer, Sales Representative, Area Sales Executive / Manager, Product Manager, Assistant Claim Manager, Jr. Clinical Trial Coordinator, Lecturer etc.

Clinical Training :

Clinical training of the student shall start from the First Professional session onwards and subject related clinical training shall be provided in the attached hospital by the concerned faculty in various IPD & OPD of our Hospital.

Sanskrit Samhita and Siddhanta Department

This is the first and the most important Department of Ayurveda, also known as Basic principles. This department is concerned with basic principles of Ayurveda which are described in classical texts i.e. Ayurved Samhitas.

Sanskrit

Ayurveda originated as of Vedic sciences. All original texts of Ayurveda were science in sanskrit so, the knowledge of sanskrit language is compulsory to learn Ayurveda.

Rachana Sharir Department

Department of Rachana Sharir deals with the study of Structure of the Human Body and topics like embryology, histology, Anthropometry, Genetics, marma sharir etc as per Ayurveda and Modern science.

Dravyaguna Vigyan Department

According to Charaka there is nothing on the earth which is not medicine. That's why Ayurveda considers all substances as medicine, if used for specific purposes in an appropriate way. It's a complete science of herbal plants. Ayurvedic drugs, especially herbs are prescribed in different pharmaceutical forms, to get maximum therapeutic effect.

Kriya Sharir Department

It deals with the normal function of human body and its parts. It emphasizes the concepts of Dosha, Dhatu and Malas. According to the Ayurveda every individual is unique entity and for knowing this uniqueness of every individual's "prakriti parikshan" that is the analysis of body and mind is the speciality of this subject.

Rasashastra evam Bhaishajya Kalpana Department

Ayurvedic Pharmaceutics deals mainly with the drugs of herbal and mineral origin, their varieties, characteristics, processing techniques, properties, their therapeutic uses and procedure of any drug involve various steps starting from identification and collection of authentic raw material, application of standardized processing techniques and production of quality drug to packing and storage.

Swasthavritta and Yoga Department

Swasthavritta department deals with the total health or complete fitness; harmony at each level i.e. physical, physiological, psychological and spiritual of a human being.

Yoga is another important and basic concept of health explained in basic concept of health in vedic literature. It mainly aims at having balanced physical and mental activities. Along with yoga and naturopathy; swasthavritta teaches the art of living.

Rognidan evam Vikruti Vigyan Department

Rognidan and Vikruti Vigyan deals with the factors which are :

Essential to understand disease process as well as the diagnosis of disease.

The normal state of mind and body is called prakriti and the abnormal state of the mind and body is termed as Vikruti. Nidan Panchak is the base of diagnosis of disease. The Knowledge gained by scrutinizing the causes and symptoms of a disease related to person is called Vikruti Vigyan.

Agadtantra evam Vidhi Vaidyaka Department

Deals with various natural and artificial toxic substances and poisons in detail along with their antidotes, signs and symptoms and legal aspects of medical ethics and standards.

Kaumarbhritya Department

Kaumarbhritya is one of the branch of Ayurveda dealing with the care of the child from the Conception to till the Maturity It is one of the Eight Branches (Astang) of Ayurveda.

It focuses on all aspects of nursing and healthy upbringing of newborns, infants and children by holistic approach for better progeny and society.

Prasuti Tantra Evam Striroga Department

Streeroga and prasuti tantra deals with management of diseases manifesting specially in women in every stage of life with gynaecological and obstetric care.

Panchakarma Department

Ayurveda has described the use of shaman (Palliative treatment) and Shodhan (Bio-Purification methods) methods. This Shodhan (Panchakarma) means five methods of body purification. These methods are employed in the healthy to prevent diseases and to improve the immunity as also in the sick to treat a number of diseases.

Kayachikitsa Department

Kayachikitsa is the first branch of Ashtang Ayurved that deals with general medicine, where kaya means body and chikitsa means treatment. Curing the disease can be attained through shaman (pacification) and shodhana (purification/detoxification) chikitsa, shaman chikitsa pacify the morbid doshas, where as shodhan expels the accumulated doshas.

Shalya Tantra Department

Department of Shalya Tantra (surgery) deals with the basics of surgery and para-surgical aspects given in Ayurveda as well as modern concepts at their level. The main focus of study is to get aware the students regarding the fundamental of surgical diseases, various disability and deformity, trauma, fractures, congenital and acquired illnesses etc.

Shalaky Tantra Department

Shalakyatantra deals with diagnosis and management of the diseases above the clavicle like Netra(Eye), Karna(Ear) , Nasa(Nose) , Mukha(Oral cavity) & Shira(Head).

Laboratory & Diagnostic area

The central clinical laboratory of UHAN is an advanced diagnostic Centre with all the modern equipment. This Central Clinical Laboratory (CCL) has Sample collection unit having cutting edge technology and incorporates the latest diagnostic techniques. Our Biochemistry section in the lab is equipped with fully automatic biochemistry analyser, Auto lab ESR machine, PSR+ Electrolyte Analyser, Ichroma Reader and Chamber, etc. The Hematological section for conducting relevant tests and the Microbiology section is also available to perform various bacteriological, etc. cultures. The Pathology section is equipped for Urine, stool, etc. tests and has provision for cytological and Histopathological tests. The laboratory has a sample collection unit to collect the required samples, the laboratory is involved in conducting research oriented purpose for all the departments concerned as well as patient care. Radiological Department area has facilities like X Ray, USG, TMT, ECG and other such tools.

Herbal Garden

There are 450 types of verdant medicinal plants presently available in Herbal Garden especially for the purpose of study. A large part of College land is covered by this Herbal Garden.

Lecture Hall

Lecture hall is excellent for focusing the attention of a large group on a single point, either an instructor or an audio-visual presentation, and modern lecture hall often feature audio-visual equipment. A microphone and loudspeakers are common to help the lecturer be heard, and projection screens may be used for large displays.

Hostel

IA Ayurvedic Medical College has Separate Boys & Girls with hostels, located in calm and serene surroundings, provide a conducive natural atmosphere for the students to study, The hostels are located away from each other with separate mess facilities. Utmost care is taken to maintain hygiene during preparation and serving of food by dedicated staff.

Canteen

A spacious and hygienic canteen at Institute provides fresh snacks items, tea, coffee, fruit juice & daily need items to students & visitors, food is prepared under the direct supervision of the messing committee comprising of management, faculty and student representatives.

Transport

IA Ayurvedic Medical College providing transport facilities for students, faculty and staff from all surrounding town & villages.

Health Minister Inaugurated UHAN- NE India's 1st Multi-speciality Ayurvedic Hospital

UHAN is Awesome: Health Minister Dr. Lingdoh

The University Hospital of Ayurveda & Naturopathy (UHAN), North East India's premier multi-specialty Ayurvedic Hospital was officially inaugurated on 24th August 2023 at the USTM campus by Dr M Ampareen Lyngdoh, Hon'ble Minister of Health & FW, I & PR and Law, Government of Meghalaya. Currently, this 100-bed ayurvedic hospital is open at the USTM campus where inter-disciplinary health research and central instrumentation facility are already available and functioning.

Addressing a large gathering, Health Minister Dr M Ampareen Lyngdoh said, "UHAN is just unbelievable. The kind of infrastructure and facilities it is offering is awesome. The USTM is a one-stop educational village, an institution with a difference". "I am happy to inaugurate UHAN. I am humbled to learn that Ayurveda and Naturopathy are branches of knowledge that are gaining popularity more and more", she added.

Appreciating the growth of USTM within a short span of time, the Minister said that the Government of Meghalaya is very delighted to partner with a visionary like Mahbubul Hoque. "Knowledge cannot be bought, it is inculcated, it is nurtured. I assure you that the Meghalaya Government will give full support to establish the upcoming PA Sangma International Medical College and Hospital at USTM campus".

Speaking on the occasion, Shri Mahbubul Hoque, Chancellor USTM said, "In the near future, before 2030, all healthcare divisions—Allopathy, Unani, Siddha and Homeopathy—along with research will exist in the USTM campus."

UHAN provides advanced diagnostic services and classical Panchakarma treatments with a dedicated, dynamic, and competent team of experienced Ayurvedic doctors and paramedical staff. With accident and emergency care, IPD, and OPD, the hospital offers a wide range of treatments and therapies. These include herbal remedies, massage, yoga, meditation, and dietary changes.

The hospital is particularly effective in treating chronic conditions such as arthritis, asthma, and digestive disorders. It also offers treatments for stress, anxiety, and other mental health conditions. It is equipped with state-of-the-art facilities and the practitioners are highly trained and experienced in the field of Ayurveda.

The various sections at the hospital are Kayachikitsa (Ayurveda Medicine), Shalya (Surgery), Prasuti Tantra & Stree Rog (Obstetrics & Gynecology), Shalakyas (ENT), Netra Roga (Ophthalmology), Kumarbhritya (Paediatrics), Swastavritta (Yoga & Wellness Centre), Geriatric Care Clinic, 24 hours pharmacy services, 24 hours ambulance services and canteen services. The round-the-clock Laboratory services include USG, ECG, X-Ray, Panchakarma Therapies, Abyanga, Snehana, Swedan, Vamana, Virechana, Nasya, Vasti, Shirodhara and Raktamokshana.

AYUSH Minister Sarbananda Sonowal Inaugurated the Academic Complex of IAAMC

The Union Minister for AYUSH, and Ports, Shipping & Waterways Shri Sarbananda Sonowal inaugurated the Academic Complex of the IA Ayurvedic Medical College (IAAMC) on 29th August 2023 at the University of Science and Technology Meghalaya (USTM) in the presence of Mahbubul Hoque, Chancellor, Prof GD Sharma, Vice Chancellor and a host of dignitaries and thousands of students. This state-of-the-art new infrastructure houses the Advanced Research Centre, Central Instrumentation Facility, and different departments of the College.

Addressing a huge gathering of thousands of students, Shri Sarbananda Sonowal said, "I am amazed to see the state-of-the-art facility, a visionary initiative under the leadership of M Hoque. I am highly pleased after visiting the sophisticated research lab where scientists are already doing research work. Ministry will extend all necessary support to further develop the institution." He appealed to the team Ayurveda to focus on extensive research on medicinal plants of the NE region along with teaching-learning and quality healthcare.

He said that the expansion of this premier institute can play an instrumental role in furthering the role of traditional medicine in the region. "The vision of PM Modi ji is to develop a healthcare delivery system that is effective and efficient. With the continuous impetus to build and expand capacity for research and build a scientific base for traditional medicine, I believe the IAAMC will play a crucial role towards the achievement of this objective", he added.

Speaking on the occasion, Shri Mahbubul Hoque, Chancellor USTM said, "In the near future, before 2030, all healthcare divisions—Allopathy, Unani, Siddha and Homeopathy—along with research will exist in the USTM campus."

Located near the multi-specialty University Hospital of Ayurveda & Naturopathy (UHAN) at the USTM campus, this Academic Complex of the college has teaching as well as research facilities. On the other hand, the 100-bed hospital provides facilities like OPD consultations, medicines, laboratory facilities for routine haematological and biochemistry for the paediatric, geriatric and general population. The hospital at the IAAMC campus is well-equipped with accident and emergency care private wards, labour room, Operation Theatre, Yoga center, Physiotherapy unit, Panchkarma unit etc. The investigation facilities like ECG, USG, X-ray, Laboratories, are also available.

Eminent Personalities Speaks..

The University must exercise moral leadership to meet the challenges of the 21st century. I strongly believe in the leadership of USTM to create a Centre of Excellence for rural talents. My best wishes to team USTM led by its founder Mahbubul Hoque.

Dr. APJ Abdul Kalam
11th President of India

I am impressed to know that this University is emerging as a rising star in the North Eastern region, doing extremely good in research and academics within a very short span of time starting with a humble resource. Stakeholders of the region must follow this footsteps and bring a revolution in higher education.

Shri Ram Nath Kovind
14th President of India

I had no idea that such a huge University exists so near the National highway. This University carries a multifarious teaching and research activities in different fields. I wish all success to USTM in the coming years.

Shri Satya Pal Malik
Governor of Meghalaya

I am amazed to see the gigantic campus of the University and also the cultural activities. I wish every success to the University.

Shri Gulab Chand Kataria
Hon'ble Governor of Assam

USTM is unique due to its Human touch. This university will reach the heights of excellence under the leadership of its dynamic chancellor to make this region "Education Hub". I am confident that USTM will soon become a global destination for teaching, learning & research.

Shri Conrad Sangma
Chief Minister, Meghalaya

USTM is progressing and contributing immensely to the field of higher education in the region. I congratulate the University community as it has been recently accredited by NAAC with "A" Grade in the first cycle of assessment. Best wishes.

Dr Himanta Biswa Sarma
Chief Minister, Assam

University of Science & Technology, Meghalaya has been growing as the best private University in the NE region. It acts as a path finder in the field of higher education which is a dire need of the the time. I hope one day USTM will be a world class university.

Prof. Ved Prakash
Former Chairman, UGC, New Delhi

I am happy to visit USTM and unveil the statue of Bharat Ratna, former President of India, Dr. APJ Abdul Kalam. I had a very fruitful session with the officials, staff, and students. Compliments to the Chancellor, Vice-Chancellor, and their team. Best wishes for USTM family.

Prof. D P Singh
Former Chairman, UGC, New Delhi

Amazed to witness such a young University like USTM creating immense contribution in the education movement of the North Eastern region. I am sure, one day it will be one of the best Universities of the country. Wishing all the very best.

Prof. M Jagadesh Kumar
Chairman, UGC, New Delhi

It is indeed heartening to see the enthusiasm of the students and faculty of this institution. Wishing a great future to all endeavours.

Shri A S Kiran Kumar
Chairman, ISRO

I am very pleased to be with the students and faculties of the University especially the founder Chancellor for the service to higher education in North-East.

Shri Kailash Satyarthi
Nobel Peace Laureate

The environment and ambience is excellent, feel closer to the nature. I am sure this university will go a long way and will be a global standard university.

Prof Govindan Rangarajan
Director, IISc, Bangalore

I am very much impressed by the university infrastructure, study ambience and the enthusiasm of the students. I enjoyed the interactive session with the students of the USTM.

Shri Navin B. Chawla
Former Chief Election Commissioner, India

I am happy to learn that the USTM is working actively upon outcome based education. I appreciate that the Chairman of NAAC peer team has announced that USTM has the potential to be awarded A++ in the next cycle of NAAC inspection in 2026.

Subject:-Issuance of LoI (Letter of Intent) in respect of your application vide ref no. USTM/IAMC/AppI_NCISM/2022/482 dated 26.10.2022 received from The Registrar, University of Science & Technology, Techno City, Kling Road, Baridua, 9th Mile, Ri- Bhoi, Meghalaya-793101 for seeking permission of the Medical Assessment and Rating Board for Indian system of Medicine, National Commission for Indian System of Medicine to establish new Ayurvedic Medical college in the name of I.A. Ayurvedic Medical College, South Zone, Techno city, Kling Road, Bariduari-Bhoi, Meghalaya-793101 (Inst. Id:- AYU0822) with 100 seats in UG (BAMS) course from the academic session 2023-24 under section 29 of NCISM Act, 2020 and relevant regulations thereunder-reg.

Sir/Madam,

With reference to the subject mentioned above, I am directed to inform you that in pursuance of the provisions of National Commission for Indian System of Medicine Act, 2020, the Indian Medicine Central Council Act, 1970 (48 of 1970) has been repealed with effect from the 11th day of June, 2021. With effect from the said date, the Central Council of Indian Medicine constituted under sub-section (1) of section 3 of the Indian Medicine Central Council Act, 1970 (48 of 1970) has been dissolved. Now, in exercise of the powers conferred by sub-section (3) of the section 1 of the said Act, the Central Government notified that all the provisions of the National Commission for Indian System of Medicine Act, 2020 has been come into force with effect from the 11th day of June, 2021. In view of the above the Central Government constituted the Autonomous Boards with effect from 11th June, 2021 and as per regulation 59 (2) of The National Commission for Indian System of Medicine Act, 2020, Medical standards, requirements and other provisions of the Indian Medicine Central Council Act, 1970 and the rules and regulations made thereunder shall continue to be in force and operate till new standards or requirements are specified under this Act or the rules and regulations made thereunder. Further, the provision of concerned regulations which are inconsistent with the provision of NCISM Act, 2020 shall not be applicable.

1. I am to refer to your **application vide ref no. USTM/IAMC/AppI_NCISM/2022/482 dated 26.10.2022 received from The Registrar, University of Science & Technology, Techno City, Kling Road, Baridua, 9th Mile, Ri- Bhoi, Meghalaya-793101** for seeking permission of Medical Assessment and Rating Board for Indian System of Medicine, National Commission for Indian System of Medicine to establish a new Ayurveda Medical College in the name of **I.A. Ayurvedic Medical College, South Zone, Techno city, Kling Road, Bariduari-Bhoi, Meghalaya-793101 (Inst. Id:- AYU0822) with 100 seats in UG (BAMS) course under section 29 of NCISM Act, 2020 from the academic session 2023-24** and to verify the physical and other infrastructure facilities available, the college was **visited on 21.09.2023 & 22.09.2023 on hybrid mode** by the visitation team of Medical Assessment and Rating Board, the National Commission for Indian System of Medicine.
2. Further, in view of above, the visitation report and all other related documents were assessed in terms of enforced regulation namely, **"the Establishment of New Medical College, Opening of New or Higher Course of Study or Training and Increase of Admission Capacity by a Medical College Regulations, 2019, the "Indian Medicine Central Council (Requirements of Minimum Standard for undergraduate Ayurveda Colleges and attached Hospitals) Regulations, 2016"** and provisions under the **NCISM Act, 2020** and relevant Regulations there under.
3. As Per the direction of President, Medical Assessment and Rating Board for Indian System of Medicine (NCISM), the assessment report and all other related documents were placed in the **61st Board meeting** of Medical Assessment and Rating Board for Indian System of Medicine (NCISM) held on **26.09.2023**. Board discussed the same and decided to issue **Letter of Intent (LOI) to establish new Ayurvedic Medical College with 100 seats in UG (BAMS) course under section 29 of NCISM Act, 2020 from the academic session 2023-24 along with an opportunity to rectify the defects found during the visitation as mentioned under and following condition shall be fulfilled before visitation of (LoP) which are as under:-**
 - i. Mean of general and essential equipment's/instruments availability is 27.77% and on manual calculation is 38.8% which is not fulfilling the minimum requirement of 75% as per MSR 2016.
 - ii. Have minimum 02 lecture halls as per Sub Regulation (a) (v) of Regulation 10 of MSR 2016.
 - iii. No deliveries conducted from 1st Jan 2022 to 31st Dec 2022.
 - iv. No cadaver or preserved body parts is available.
 - v. Have OT for Shalakyta tantra as per Sub Regulation 5 of Regulation 7 of MSR 2016.

4. In view of above, Letter of Intent (LOI) is issued to **The Registrar, University of Science & Technology, Meghalaya-793101 to establish a new Ayurvedic Medical college in the name of I.A. Ayurvedic Medical College, South Zone, Techno city, Kiling Road, Baridua, Ri-Bhoi, Meghalaya-793101 (Inst. Id:- AYU0822) with 100 seats in UG (BAMS) course from the academic session 2023-24 under section 29 of NCISM Act, 2020** and relevant regulations there under, subject to the condition that defects mentioned above and following conditions shall be fulfilled before issuance of Letter of permission (LOP) for the academic session 2023-24, failing which the Letter of Permission (LOP) shall not be issued and Letter of Intent (LOI) issued shall be deemed to be withdrawn.
 - i. The applicant shall fulfill all the requirements of infrastructure for teaching and training facilities as specified in "Indian Medicine Central Council (Requirements of Minimum Standard for under-graduate Ayurved Colleges and attached Hospitals) Regulations, 2016.
 - ii. The applicant shall fulfill all the relevant provisions of Regulations namely the "Establishment of New Medical College, Opening of New or Higher Course of Study or Training and increase of Admission Capacity by a Medical College Regulations, 2019.
 - iii. The applicant shall fulfill all the requirements of the "Indian Medicine Central Council (Minimum Standards of Education in Indian Medicine) Amendment Regulations, 2016.
 - iv. The applicant shall fulfill all the relevant provisions under the NCISM Act, 2020.
5. The applicant is also need to submit the requisite fixed security deposit as specified under **the section 6 (1) (i) (ii)** of notified Regulations namely the "Establishment of New Medical College, Opening of New or Higher Course of Study or Training and Increase of Admission Capacity by a Medical College Regulations, 2019" **on demand by the Medical Assessment and Rating Board for Indian System of Medicine, NCISM before issuance of Letter of Permission (LOP).**
6. The college administration is to ensure that no student is admitted in the UG course till the formal permission i.e. Letter of Permission (LOP) is granted.
7. Further, **as per Sub-section (7) of Section 29 of NCISM Act, 2020**, The Medical Assessment and Rating Board for Indian System of Medicine may conduct evaluation and assessment of any University or medical institution at any time, either directly or through any other expert, having integrity and experience in medical profession, without any prior notice and assess and evaluate the performance, standards and benchmarks of such University or medical institution and if the college is found to be not maintaining the Minimum Essential standards as specified in the concerned Acts & Regulations then **in accordance of Section 28 (1) (f) of NCISM Act, 2020 the issued permission of the college shall deemed to be withdrawn and denial of permission shall be issued by MARBISM for stoppage of admission for that particular academic year or the subsequent year.**
8. The Medical Assessment and Rating Board for Indian System of Medicine (NCISM) will visit the college virtually, physically or Hybrid mode to verify the compliance/ fulfillment of the above conditions by the applicant and issuing/not issuing the LOP will be considered.
9. In the event, the applicant college fails to comply with or satisfy the conditions of the Letter of Intent; the Letter of Intent shall be deemed to have been withdrawn without further intimation to the applicant.
10. Please acknowledge the receipt of this letter.
